## BURGLARIES.

Somerton, Ohio.

Herring-Hall-Marvin Co.,  
Successors to Hall's Safe & Lock Co.,  
Cincinnati, Ohio.

Dear Sirs: You have no doubt observed by the public press that our bank has been subjected to the depredations of robbers on the night of Jan. 22nd 1903, the outer door of the safe blown off, the inner chest not disturbed. This safe was bought from you in the Spring of 1875 and we see from our books that you were sent New York Draft April 15th 1875. The number on the knob is 14547. We believe this safe will require a new front. This safe has shown first class material. The sheets bent like tough hickory.

Yours truly,  
(Signed) BELMONT BANK AT SOMERTON,  
E. J. Hoge.

Griffenhagen Bros & Co., Wholesale Dealers in Bottles.  
New York, January 2, 1903.

Herring-Hall-Marvin Safe Co.,  
New York.

Gentlemen: We thank you very kindly for your prompt attention in sending one of your men to open our safe this morning. We also wish to congratulate you upon the quality of your burglar-proof safe, as the burglars who entered our place must have worked all night and could not open the doors, and left without accomplishing their purposes. When the detectives arrived this morning to inspect the work, they claimed it was done by professional crackmen and told us that if it had been a safe of any other make the burglars would have got in by the way they worked on our safe. We thought we would write you this good news as we consider ourselves fortunate. We will send the door to your factory this afternoon and kindly see that it is repaired and returned to us as speedily as possible. We remain,

Yours respectfully,
